

What is LEVEL UP?

LEVEL UP stands for **Leading the Excellence in Value Empowerment through Learning for UP Employees**. It is the umbrella program of HRDO for all trainings targeting leadership competencies. These competencies include demonstrating courageous and decisive leadership, leading change, managing performance and coaching for results, partnering and networking, and strategic planning and organizing.

30

per cohort

Past Training Series

Supervising Teams Effectively

At the height of the pandemic, 58 supervisors from UP were able to obtain training on emotional intelligence, remote supervision, team motivation, work planning, and communication tools.

Collaborative & Inclusive Relationships

In 2022, LEVEL UP trained 53 line managers on emotional intelligence and team inclusion and collaboration.

Performance & Coaching for Results

In 2023, 35 line managers completed LEVEL UP to sharpen their competency related to team performance management and how to perform a coaching session.

Testimonial

Experiential learning was fun and productive. Competent resource speakers and structured activities were well thought of. Best training experience so far!

Karisse P. Villanueva, College of Engineering
